A big thank-you to the Town of Vulcan for leasing us the land. We wouldn't be able to grow our own nutritious vegetables without your support!!!

COVID-19 Guidelines: Following the COVID-19 guidelines, you must remain 2 meters away from anyone in the garden. No more than 15 people at a time at the garden. We also ask that you use the Clorox wipes provided to wipe off the water faucet and spray nozzle before and after each use. You will also need to use your own gardening tools.
