Corn Maze Consent Form

Participant Risk Acknowledgement, Release of Personal and Medical Information and Release, Waiver of Claim and Assumption of Risk

Our goal is to provide a safe experience for all participants registered in programs offered by Vulcan and Region FCSS Get-A-Way Youth Centre. Our programs, however, may include elements of risk and you, and/or, as the parent(s) or legal guardians of participant(s), will be required to complete, date and sign this Participant Risk Acknowledgement, Release of Personal and Medical Information, and, Release and Waiver of Claim and Assumption of Risk, before or at the time of enrolment in any Vulcan and region FCSS Get-A-Way Youth Centre program. ***We believe in the informed consent of the participant(s) and/or legal guardian of the participant(s) to the identifiable and unforeseen risks that may occur during our programs.***

Risks or dangers identifiable and unforeseen at the corn maze include loss and/or damage of personal property. Injuries may occur when your child participates in activities such as ziplines, big slide, jumping pillow and tripping on corn in the corn maze. Inclement weather, plant allergies, insect bites and allergies, food allergies, are other possible risks. There are also risks inherent and unforeseen when traveling to and from a Program outing, which may include mishaps during bus transportation.

I have read and clearly understand that there are identifiable and unforeseen risks or dangers to the Lethbridge corn maze field

trip. _____ (Initial)

During this field trips are your acknowledgement and acceptance of the risks or dangers that may occur during the program and thereby you, and/or as the parent(s) or legal guardian(s) of participants are deemed to have accepted the risks or dangers of this trip.

In consideration of my, and/or my child(ren) or charge's participation in this program, I agree and acknowledge that:

The Vulcan and Region Family and Community Support Services will do our best to provide children's programming that will meet or exceed the anticipated health and safety guidelines.

By registering your child in this program, you agree and understand that there is an inherent risk in physical activities such as walking, running, jumping, playing games such as falls, cuts, scrapes, bruises, sunburns, sprains, breaks, cold, and insect bites. _____ (Initial).

Does your child(ren) have any allergies or medical conditions that staff should be aware of while they are in our care? _____

Name and number of who to contact in the event of an injury or illness: _____

Parents Name (Printed) _____

Parent's Signature _____

Date _____

Child(ren)'s Name(s) _____
